

# SKATE BOARD PARKS

While it is still important that rules and regulations for use of the skateboard facility be posted, Section 6-5-342 spells out **word for word** the warning signs that must be posted. It states:

The warning notice shall appear on the sign in black letters with each letter to be a minimum of one inch in height and shall contain the following notice:

## WARNING

"Under Alabama law, a skateboard or roller skating park or rink operator is not liable for injury, damages, or death of a participant, assistant, or spectator in skateboarding or roller skating activities in the park or rink resulting from the inherent risks of skateboarding or roller skating activities. If skateboarding is permitted in this facility, any person skateboarding in this facility must wear appropriate protective equipment including a helmet, elbow pads, and knee pads."
