LOCATION AND TRAINING DATES

AMIC/MWCF Proactive Driver Training program consists of a day-long session in which a **maximum of 12 people** are trained using the SkidCar System. The first two hours of the course takes place in a classroom setting. The remainder of the program is hands-on and completed in shifts. Three participants ride in the vehicle (one driving, two in the back seat) with the instructor while the remaining nine observe how the vehicle responds and help maintain the training course. **This is a ONE DAY course.** Please select your preferred location. **You will receive written notification of the day you are scheduled for the SkidCar training, as well as the address of the exact location where the training will be held. Eight (8) hours APOST credit for this course.**
